# Term Of Services

## **Terms of Service Agreement :**

Welcome to Stepwise, a footstep tracking app designed to help you monitor your physical activity. By downloading and using Stepwise, you agree to be bound by the following terms:

### **1. User Conduct**

You agree to use Stepwise for lawful purposes only and to comply with all applicable laws, rules, and regulations. You will not use our app to post or share any content that is offensive, illegal, or infringes upon the rights of others. You will also not attempt to interfere with the security or operation of our app.

### **2. Ownership**

Stepwise and all its content, including but not limited to graphics, logos, and text, are the property of Stepwise and are protected by copyright, trademark, and other intellectual property laws. You agree not to reproduce, modify, or distribute any of our apps content without our prior written consent.

### **3. Disclaimer of Warranty**

## 1. Information We Collect

We collect certain information about you when you use Stepwise. This may include your name, email address, phone number, device information, location data, and activity data.

## 2. How We Use Your Information

We use your information to provide and improve our app, to communicate with you about our app and related services, and to personalize your experience. We may also use your information for research purposes or to comply with legal obligations.

## 3. Sharing of Your Information

We may share your information with third-party service providers who help us operate our app, process payments, or perform other functions related to our services. We may also share your information if required by law or in response to legal requests.

## 4. Security of Your Information

We take appropriate measures to protect your personal information from unauthorized access, disclosure, alteration, or destruction. However, no method of transmission over the internet or electronic storage is completely secure, and we cannot guarantee absolute security.
